        Hi Neighborhood Councils!

        The Department of Transportation's Vision Zero initiative and our active transportation programs (People St, the Bike Program, etc.) are in the process of designing a new mobile and desktop website. In order to design the best and most useful experience possible, we've developed a survey to help us better understand community interests and needs.

        The survey should take no longer than 15 minutes to complete, and can be completed anonymously. As a thank you, you can enter a drawing for a $50 Amazon gift card. We will also be contacting some survey respondents for follow-up interviews. If you participate in an interview, you will receive a $75 Amazon gift card. You must complete the survey to be eligible for a follow-up interview.

        The survey <https://www.surveymonkey.com/r/2GV63BF> is only open until Friday, April 6 at 5pm. If you have the time, your participation (and anyone else you want to share survey with) would be very valuable to us.

        Thank you,
